

COLUMN-MOUNTED LIFTING ARM

SCHMALZ SK-RZG-CON - 350 KG

SCHMALZ SK-RZG-CON column-mounted lifting arm designed for ergonomic and efficient material handling. The unit provides smooth and precise manual positioning of loads and can be used with various lifting tools, hoists, or handling devices.

GENERAL INFORMATION

- Maximum load capacity: 350 kg
- Horizontal articulated lifting arm
- Column-mounted floor support structure
- Smooth manual arm movement
- Industrial aluminum and steel construction
- High structural rigidity and stability
- Suitable for integration with various lifting systems
- Designed for industrial applications

Technical Specification

Equipment: Column-mounted lifting arm

Manufacturer: J. Schmalz GmbH

Model: SK-RZG-CON

Load Capacity: 350 kg

Year of Manufacture: 2021

Serial Number: 00E0082735

Condition: Excellent working condition

Availability: 2pcs. Immediately available

Origin: Made in Germany
